

## Checking camera and microphone permissions in Google Chrome on Android:

- Click the padlock icon (🔒) to the left of the web address

- In the window that opens, ensure that Camera and Microphone permissions are set to “Allowed”. If they are set to “Blocked”, click on *Site settings* on the bottom right corner of the window

- In the *Site settings* window that opens, ensure that *Access your camera* and *Access your microphone* are both set to “Allow”
